

Sherry Anne

Inspirational Singer, Speaker, Writer. . .

Sherry Anne was born with a bilateral hearing and speech impairment. Challenged with this and other obstacles early in life, she pursued and achieved beauty pageant crowns, athletic awards, academic scholarships, and became a Doctor of Chiropractic. Yet, Sherry Anne still had a longing - an emptiness - that only the love of her Heavenly Father could fill, and He did! Today, her ministry encompasses music and inspirational speaking, bringing the message of God's unconditional love, mercy, and saving grace to diverse audiences.

Sherry Anne sings with an elegant voice that perfectly blends a passion for Southern Gospel, Country, and Blues music with her deep faith. She shares her mission as the featured presenter for women's events and other venues across the U.S., Canada, and Mexico.
